

CPRE Planning Volunteer (Greater Manchester)

CPRE fights for a better future for the countryside. We work locally and nationally to protect, shape and enhance our beautiful countryside and green spaces for everyone to value and enjoy.

At CPRE Lancashire we have an exciting opportunity for a Planning Volunteer to help with our core work.

Activities involve:

- investigating planning applications which have a significant impact upon the countryside and helping us to influence their outcome
- visiting the local planning offices to look at plans and record details
- reviewing plans, applications and other consultations on the internet
- visiting sites and recording details
- liaising with parish councils, district councils and other conservation bodies
- sharing the information, and your thoughts, with CPRE
- supporting “Eyes and Ears” volunteers working in the area

As your skills develop you will be encouraged and supported to:

- draft letters to the local planning authority
- research planning policy and best practice
- assist in the preparation of responses to wider consultations, including planning appeals
- contribute to our Planning Team/Policy Committee and assist CPRE in planning research.

This role does not require any previous experience with planning, as training and guidance will be provided.

What we need from you:

You will be home-based, carrying out activities around your other commitments. We keep in regular contact via phone and/or email to discuss progress and to provide support. You would also be encouraged to attend group meetings.

This is an opportunity to be involved in a vital aspect of our work. You will gain satisfaction from investigating local concerns, improve your knowledge of the planning system, meet local people and feel part of a friendly and passionate group.

Ideally, we hope that you can offer us most of the qualities described below:

- a strong interest in the countryside
- an understanding of the planning system (or be willing to learn)
- an interest in investigative work, with an eye for detail
- a desire to share your knowledge with others in the branch
- good communication skills - written and verbal
- can attend meetings or, when not possible, can provide updates for meetings
- computer literate - the internet, e-mail and MS Word or equivalent

As a guide, we anticipate this voluntary role will take 3-4 hours per week.

What's in it for you?

CPRE volunteers are motivated to help for a range of reasons, but normally they have a strong interest in protecting and enhancing the environment, as well as encouraging people to enjoy the countryside and all it has to offer.

Benefits include:

- A great opportunity to use your existing experience and to develop new skills
- Working with others to make a difference both locally and nationally
- The potential to meet and discuss issues with a wide range of like-minded people
- Opportunities to attend local and national CPRE activities, events and workshops

The role is voluntary although we will pay all out-of-pocket expenses with prior agreement, in line with our Volunteers Policy.

Contact details:

If you are interested in this role, please email a CV and covering letter to info@cprelancashire.org.uk
